

PRESENTED BY

*"Without uttering a word,  
Fujio Ishimaru, an actor,  
Butoh dancer, and mime artist,  
retraces the history of the world  
and men who populate and exploit.  
With humour, wisdom and intelligence,  
Fujio silently expresses our own  
wonder and fantasy."*

Le Soir, September 8, 1999

# Tai-yo

by Théâtre de l'E.V.N.I. from Belgium
