

This collage features a variety of visual elements. At the top is a color calibration bar with 11 squares. Below it, on the left, is a close-up of a textured surface, possibly a metal mesh. To the right of this is a circular object with a blue mark. Below the textured surface is a ruler with a cartoon character of a person holding a hammer. To the right of the ruler is a circular object with a blue mark. Below the ruler is a technical drawing of a mechanical part. To the right of the technical drawing is a ruler with a blue mark. At the bottom right is a technical drawing of a mechanical part.
