CRUNCH! GROAN! SLOBBER! GRRRR...

Daddy? Mummy? There is a **MONSTER UNDER MY BED!**

Boy is a happy child. He loves going to school to learn and have loads of fun. Hide-and-seek is his favourite game. Boy knows all the best hiding spots in school and would play with his friends all day long. Even at home.

At bedtime, Boy would hide. No matter how tired Boy is, he dreads going to bed. He knows it. There is something under his bed. He could hear it breathing. Maybe one. Two? Even three or four. Under his blanket Boy shuts his eyes tight, hoping that the monster would go away.

Monster Under My Bed is a child's tale of his adventure as he faces the terrible nighttime creature and chases it away to finally have a good night's rest. Filled with music, drama, puppetry, laughs and scary fun, this story will delight any child who ever envisioned monsters lurking in the bedtime darkness.
