Hungry Brush is a Big Bully. He is always hungry and bullying kids by snatching their food away without asking politely. One day, Pan and Sponge decided to go picnic and met Hungry Brush on the bridge that they were crossing. The Big Bully, Hungry Brush, extorted money from Pan and Sponge before letting them crossed the bridge. Pan and Sponge decided to stand up for themselves and defy Hungry Brush's order. Will Pan and Sponge succeed? Is Hungry Brush going to learn his lesson and stop being a Big Bully?
